Dear

Aon MySuper Investment Strategy Change

Summary

On 1 July 2018 we are making a change to your investment in our default investment option - Aon MySuper.

This change will:

- move a percentage of your investment in Aon MySuper into defensive investments at an earlier age than is currently the case, and
- keep more of your investment in Aon MySuper in higher growth investments, for the duration of your investment in Aon MySuper.

The objective of this change is to maximise the growth potential of member's superannuation accounts while maintaining a suitable degree of risk management as members move towards retirement.

As your super is invested in Aon MySuper your account balance will automatically be subject to this change unless you switch into an alternate investment option no later than 26 June 2018.

What this means for you

At your present age of: years

Your current Aon MySuper investment mix is % High growth, % Defensive

From 1 July, 2018 the investment mix for your Aon MySuper investment will be % High growth, % Defensive and will continue to transition from the High Growth portfolio to the Defensive portfolio through to age 75 when it will remain at 30% High Growth and 70% Defensive.

[Further details >](#)

The return target, return, level of risk and fees and costs applicable to your Aon MySuper investment depend on the investment mix between High Growth and Defensive strategies applicable to your age. For more information, refer to the smartMonday PRIME PDS or contact us.

PLEASE NOTE: From 1 July only funds invested in Aon MySuper and future contributions directed to Aon MySuper will be effected by this change. Investments and contributions in other investment options available in smartMonday PRIME will not be impacted by this change.
